ABOUT THE SEMINAR

The Dr. Albert Miyasato Memorial Dharma Session series of Jikoen Hongwanji Mission began with Jikoen's 70th Anniversary Buddhist Education Project in remembrance of one of the most influential leaders of our Sangha and the Hongwanji Mission of Hawaii. This seminar offers participants the opportunity to deepen their understanding of the teaching of Jodo Shin Buddhism. This program series provides educational and inspirational lectures presented by special Dharma teachers who allow participants to expand their experience on the Nembutsu Path.

Our 2014 Dharma teacher is **Rev. Grant Masami Ikuta** of the Buddhist Churches of Canada. He is currently the resident minister at Steveston Buddhist Temple in British Columbia. He is the first Canadian Sansei and third generation minister to serve within the BCC. **Everyone is welcome!**
